Ask for our separate 2009 price lists for **Daylilies, Ferns, and Ornamental Grasses, and Hostas.** (only sent via e-mail)

Plants for shipping are bare root and well packed for Canada Post handling.

Shipping, packing, and handling are flat rated for orders of any size: 15.00 to Alberta and British Columbia, 12.00 to all other provinces, and as an incentive; free to any Canada Post address "North of 60" or to the Labrador part of NL. (I want a 2 years progress report!) Prices are in Canadian funds of course. No GST, HST, PST, etc to add on!

- Items marked with (*) and (**) in price column are new stock this year and therefore not necessarily field grown this year.

PHOTOS of many of the Perennials in our gardens and field rows are now available online at Skydrive:

<http://cid72608135acce68eb.skydrive.live.com/browse.aspx/A-Z%20Perennials%20Pix>

Paste the preceding link into your browser address bar to see our shared photos. We are able to post hundreds of named photos from our fields.

Any Perennial described on this list that has one or more photos posted on Skydrive will have the following symbol in the description box: #. More photos to be posted at unpredictable times!

This symbol does not act as a live link yet, so look alphabetically on Skydrive in the Perennials A-Z folder.

Choose the order/payment method that suits you best.

Payments by cheque, money order, PayPal, draft, hyperWALLET, or Internet EFT (electronic funds transfer) via any Canadian bank account or "client to client transfer" within the Credit Unions (Caisses Populaire). (Request my account info for this "client to client transfer".) Sorry no debit or credit cards. You **can** use your **credit card** to pay via your PayPal account.

POY 2002 etc. indicates the "Perennial of the Year" selection.

 = Native plant of CANADA but not Nova Scotia  = Nova Scotia Native plant.

Entries **HIGHLIGHTED** in **GREEN** are **new** to our list for **2010**

Entries **HIGHLIGHTED** in **YELLOW** are prices **REDUCED** from last year's list.

Sure there are a very few price increases too. but we don't need to rub our noses in them.

This list can be returned by e-mail as an **Order Form**. At the minimum just indicate the quantity of the items you want -- we can work out all the rest.

Make your order any other way you like. Some cut and paste what they want into a new document; others just list the names wanted and quantities. ---- whatever works for you.

This form is set up for additions in the quantity and extension columns --- click the Table tab, then Formulas.

Just advise your shipping address, intended payment method, and preferred date to receive your plants.

Within a day or so we will send you back a confirmation of your order details and the final payment needed for the order.

Send your payment after you get your order confirmation.

Then enjoy the rest of the winter dreaming how to arrange the new residents for your garden.

Thank you for considering our plants for your 2010 garden!
